WORK STARTS at St. Edward Hospital with dirt piled high on east side of new building site and pipes being set in place. Completion date for the \$1 million hospital facility is October 1970.

Weekend Herald charter subscribers and pro-rata Thursday Herald renewers now include: Mrs. Mildred Thornton, Frank Elchinger, Guy Tittle, Harry B. Willy, Mrs. Otto Lange and Robert Maler, all of Cameron and Milam County.

Others outside the Milam trade area are also joining the "Club". Our thanks continue for the confidence shown in The Herald's move to two editions.

We received an inquiry this week about tracing kin or information of Martha (Donelson) (Donelson) who married David William Silvey in the 1900's.

Inquiry is from Mrs. Geraldine Terry Robbins, 3016 N.W. 25th.

She also wishes to know information about William Robert Terry who married Roxie Ann Silvey in Milam County in 1895 or 1896.

Mrs. Robbins asks that anyone with information about her early family, please write to her with any information or documentation of their life in the 1890's and early 1900's.

The Herald's microfilm files go only to 1895. Some copies are missing the 1890's and early 1900's because of a fire which destroyed Herald's of the 1890's forward to the early 1900's and all the old Herald Centinels starting with the papers since 1890.

We are happy to direct genealogy inquiries to Herald readers who may have information for present Milam generations now living here or elsewhere concerning those who came before.

The Central Texas "Game of the Week" likely involves the Yoemen in Georgetown Friday night when they challenge the undefeated Eagles (8-0) in a 19AA district confrontation.

Cameron at 7-1 has come a long way on the road to AA power status in Texas football.

Coach Hal Stanislaw emphasizes the Eagles have senior ballplayers, balanced, tested experienced.

But Cameron has momentum. It seems the Yoemen were down while the Caldwell Eagles were "up" for last Friday night's contest.

Chances are the Eagles have considerable confidence with their

winning skein, the 19AA grid championship of 1968 in possession and No. 4 rating in Texas AA football to bolster all the rest.

And chances are the Yoemen are in a position to pull off what raters would call an "upset".

If the Yoemen win, it won't be as much an upset as further development of unusual offense versatility and defensive strength that proved itself several times in the first half of the Caldwell game.

The big play, which game in and game out has turned the Yoemen on, came up again against the Hornets on that second half kickoff return by fullback John Steamer.

Cameron's offense would have to be considered as volatile as Georgetown's. And since Taylor, defeated by the Eagles 25-2, the defense has blanked their last three out of four opponents.

It is going to be a fine ballgame. Yoemen fans will do well to make this trip.

Boy Scouts Set Good Turn Day

Good Turn Day for Boy Scouts in Milam County and all of the Texas District Heart O' Texas Council area to pick up Goodwill bags has been set for Sunday, November 16. Collections in the Cameron, Rockdale, Rosebud and Calvert area will begin Sunday afternoon at 1:30 p.m., November 16.

Doug Brown, volunteer chairman, 1969 Good Turn Day, said that 6,000 Goodwill bags are being distributed this week by more than 450 Scouts from every pack and troop in the Texas District. Those receiving Goodwill bags this week are asked to fill them with usable clothing and household items and leave the respective bags on the front porch for a Scout to collect during pickup time. Larger items will be handled by special arrangements with Goodwill.

Drilling Resumed At Milano Site; No. 1 Producing 115 Bbls.

The Byron Rose No. 3 Ray Woods was drilling below 2,700 feet at last report early this week, as Rose, a Houston independent operator, resumed his drilling activity on the lease block in the Milano area where he brought in two good producing wells last month.

Location of the new wildcard is 1,200 feet west and a little south of the No. 2 Ray Woods. It also is 1,200 feet north west of the No. 1, discovery well on the lease. It is a Navarro test, permitted to 3,500 feet, but is expected to be drilled to only around 3,000 feet. Since the two earlier wells found the pay sand at that depth, Rose's No. 1 Ray Woods was reported last week as producing 115 barrels per day flowing after receiving sand - frac treatment, and has leveled off at 85 barrels per day.

The No. 2 has been producing on pump since it was brought in last month, but is waiting on sand-frac treatment. Potential test figures have not been reported, if one has been run.

Rose staked location several weeks ago for his No. 4 wildcard on the Ray Woods acreage. Reported it will be located east of his No. 1, the discovery well.

Dog Pound Has Standing Room

The city dog pound was literally standing room only at mid-week with 26 dogs impounded behind the fenced yard.

Police Chief John Shearin said Mike Salazar had been hired as dog catcher.

Shearin said a few of the dogs had been claimed by owners. He said anyone missing a dog should check the pound located on East Gillis St. near the city maintenance barn. If their dog is impounded they can check with the

city police at the rear of City Hall, pay a \$3 fine, have the dog vaccinated if he does not have a current vaccination, and have current city tags.

Shearin said most of the dogs impounded had been picked up as strays and some had been picked up in response to calls. He said the dog catcher has orders to pick up dogs running loose on the streets or school grounds whether or not they are wearing a collar.

The crack-down on stray dogs came in response to a growing number of complaints and reports of packs of dogs.

A City ordinance prohibits dogs from running "at large within the corporate limits of said City . . ." as "off the premises of the owner and not in control of the owner or a member of his immediate family either by leash, cord, chain or otherwise."

The advisory committee for the county Emergency Food Program met with Judge O. B. Harden Friday. Judge Harden was named committee chairman, D. R. Dodson was named co-chairman and Dana Kestenbaum, secretary.

The committee will oversee the \$1,464.40 monthly Emergency Food Program initiated in Milam County by the OEO. It is a program to extend the food allotments to families who qualify but for lack of understanding or transportation, have not participated.

The committee, by law, is composed of three elected officials, three commodity recipients and three members representing business, church and school. Committee members appointed by Judge Harden are Henry Hill, Jack Smith, Lillian Cavanaugh, Rev. J. E. Lafferty, Albert Timmerman, commissioner pct. 3, Mrs. Dora McCasland, commissioner pct. 4, Dodson and Kestenbaum.

Harden said the committee would meet Wednesday, November 12, to review applications for the job of program aide. He said three applications had been received, but indicated that two did not qualify because family income exceeded the limit for the commodity food program.

Gas Rate Discussed . . .

Truck Bids Open

The City Council Tuesday night tabled a decision, subject to additional specifications, on garbage-truck body bids and further discussed a gas rate increase.

Both points will be discussed further at the next Council meeting. Cameron leaders are watching a study projected by City of Temple for study by the Temple city council.

Meanwhile, towns ranging in size from Clifton in McLennan County to Fort Worth and Dallas in North Texas have approved varying percentage increases.

Dallas city council approved a 9.4 percent residential increase and a 12 percent increase for commercial accounts.

Fort Worth city council approved 9.5 percent increase for both residential and commercial accounts. Clifton voted the full 24 percent plus increase asked by Lone Star Gas Co.

In Fort Worth, there will be no minimum charge when no gas is used under the new rate structure.

In other Council action, routine departmental reports, showed installation of two water connections and two sewer connections, the laying of a 6-inch sewerline on West 22nd St. and cleaning of the river station well.

Street department report showed City Park mowing, final paving of Fannin and 8th and 22nd Street paving projects, completion of city's part of paving 10th Street Fannin to Washington, and installation of new street signs.

Storage of city park benches and tables was also noted by Supt. J. B. Earle.

Other items brought up by Mayor E. A. Perrin included Sixth Street paving, Air Park repairs and removal of cotton trailers in the City Cemetery area.

ROGERS CALLS ELECTION FOR SEWER BOND

Rogers City Council Monday night adopted an ordinance calling for a \$100,000 bond election for improvements and extension of the present city sewer system.

The council set the revenue bond election for November 25.

Mayor Bob Persky said the bond election had been set at \$100,000 although they don't anticipate remodeling expenses to be that high. Fred Soules and Assoc. of Waco are consulting engineers for the project.

Persky said the present sewer system was built in the late 1940's and did not reach one housing project built since that time. The remodeling would extend the sewer line to everyone within the city limits.

Persky said the council felt confident that the revenue bonds would be approved. "I think the people of Rogers are progressive enough to want to do this," he said.

New Red-Green Stop Signs Installed At City Intersections

City workers have 13 new red and green stop signs in place and 10 more scheduled to be installed by the weekend.

Police Chief John Shearin said the signs had been ordered for most of the side streets that enter heavily traveled streets such as Jackson St., 6th and 7th streets at Houston and Central.

Shearin said stop signs will not be placed on gravel streets that intersect with a paved street because a new state law requires a motorist on the gravel street to stop.

19AA CLASH KEY CEN-TEX 'GAME OF WEEK'

"Worlds of experience."

The '69 Georgetown Eagles are thus summarized by Yoe Coach Hal Stanislaw whose Yoemen look to the major test in a quest for a 19AA grid championship.

When a team beats everybody, little can be said about them, Stanislaw says. Eagles can do a "lot of things" well.

Georgetown is averaging 31 points a game, a high average the Yoemen will have to exceed to win the 8 p.m. Friday contest at Georgetown.

The Yoemen are averaging a little more than 18 points a game. But their defensive average is about as good as the Eagles, deducting the opening loss to Taylor, 25-7.

3-POINT DEFENSE
Georgetown is allowing only 3 points average, less than a touchdown, per game, while the Yoemen are allowing 5 points per game, excluding Taylor, whom the Eagles defeated, 25-2, early in the year.

Cameron's team will be in good shape for the road game, Stanislaw says, except for guard John Mayer who has a thigh injury. Martin Mueck, recuperated from an ankle injury last week, will probably take his place.

Georgetown runs a multiple offense of options and counters off a wing-T. Stanislaw notes, Cameron will continue its versatile attack, seeking to break halfbacks Emanuel Thomas and James Laury and opening holes for fullback John Steamer. Brashear could unload a few key plays this Friday night, muffed somewhat by the Caldwell defense last Friday.

Halfback Hickerson, 10-ft sprinter and fullback Hausenfluke, an all-district back, lead the Eagle offense which racks opponents inside and outside the ends.

Stanislaw says the Eagle line averages 180 pounds, flanked by a 6-foot, 4-inch end, Todd, who pulls in numerous passes.

The Eagles play about 26 boys regularly, Stanislaw notes, compared to Cameron's playing some 19.

Cameron defeated the 1967 Eagles for the 17AA championship when a number of the 1969 Eagles were sophomores, Stanislaw says.

The Eagles have blanked four opponents, held one to a safety and the rest to one touchdown. That tells the Georgetown defense story.

RR KEY WIN
A key 19AA win for Georgetown came two weeks ago when the Eagles dropped the Round Rock Dragons 21-5, with two scores in the last quarter.

Round Rock defeated a strong Rogers Eagles team, 22-6, last Friday night. And Cameron faces the Dragons on their home field November 14.

Should Cameron defeat Georgetown, the Yoemen would tie with Georgetown if the Dragons won the following Friday night. Celd-SEE 19AA Page 2

San Gabriel Rain Measures 4 Inches At San Gabriel

By Mrs. Ralph Nelson
This community received around four inches of rain this past week, with some rather cool days. And it looks like we are going to have more of the same in the coming week.

Visitors in the home of Mr. and Mrs. Allen Conn and Peggy this weekend were Mrs. Leslie Hodge and sons Brett and Clay and Mrs. Virginia La Grow and Tommy and Stephen all of Houston.

Miss Mary Frances Camp spent the weekend in Austin visiting friends.

Mr. and Mrs. Rockney Terry of Huntsville were weekend guests of Mr. and Mrs. James Terry and Lynette and her parents in Thru-dale. They were all very proud of the fact that Rockney made the Deans List in his college work this past semester.

Wednesday morning Mrs. Paul Carroll of La Marque and Mrs. Fred Battlett of Rockdale made a short visit with Mr. and Mrs. Ralph Heisch. They were on their way to visit Mr. Fred Earhart, who is a patient in the Veterans Hospital in Temple.

Mr. and Mrs. Leslie Adams and Mary Elizabeth of Dallas were weekend guests of Mrs. Andrew Garner and on Sunday the Jack Stiles of Austin were also guests of their mother.

Mr. and Mrs. Clyde Lovelace of Rockdale visited Friday with their brother and sister, Mrs. Betty Harrison and Willie Lovelace. They also visited Mr. and Mrs. J. As Wilson.

Mr. and Mrs. William Stigall were in League City Sunday visiting Mr. and Mrs. Bill Stigall and boys and Mr. and Mrs. Zane Sgall and daughter.

Sunday dinner guests of Mr. and Mrs. Walter McDaniel were Mr. and Mrs. J. C. Payne and children of Round Rock. The occasion was to celebrate the second birthday of their youngest grandson Shelton Payne.

Mr. and Mrs. Conrad Conn and Billy, son of the Darrell Conns, have moved to Everett, Washington, where Conrad is employed by a commercial airlines company.

Jones Prairie Social Honors New Minister

By Mrs. Bill Thweatt
The Little River Baptist Church sponsored a pounding and social hour after church service Sunday night in honor of Rev. and Mrs. Bill Elder.

Rev. and Mrs. Elder were Sunday dinner guests of Mr. and Mrs. Jack Pond.

Mrs. Bill Thweatt spent Tuesday with Mrs. Lena Russell of Yarrington.

Dr. Pentecost of Houston and Mr. and Mrs. Wayne Kelly and Sherry Florida of Baytown visited Mr. and Mrs. Verne Pentecost Sunday. They attended Sunday morning worship services at Little River Church with the Pentecosts.

Mrs. Carlton Cook, Mrs. Walter Senzel, Mrs. Etta Black and Mrs. Bill Thweatt went to Mrs. Will Vogelsangs to a Stanley Party Wednesday afternoon.

Visitors in the Roy Patzke home Sunday were Mr. and Mrs. Raymond Patzke of Dallas, Mr. and Mrs. Amiel Patzke and Mrs. Nona Miller.

Mr. and Mrs. Lane Harwell of Arkansas Pass visited Mr. and Mrs. Elvin Harwell last week.

Mr. Milton Weems and Mrs. Bill Thweatt attended the funeral of Mr. Warren Sunday afternoon at the Full Gospel Church in Cameron.

Clarkson Dinner Marks 86th Birthday

By Mrs. J. A. Blanton
Mr. and Mrs. Arthur Chollatt were hosts for a dinner on Oct. 16 celebrating the 86th birthday of her father, Adolph Schulz of Burlington.

Guests were his children and grandchildren; Mr. and Mrs. Louis Miller and daughter of Burlington, Mr. and Mrs. William Spicak, Gaylene and David, Mr. and Mrs. Lee Ray Chollatt, Gayland, Robert, Kenny and Gary of Ada, Mr. and Mrs. Robert Brock, Janet and Richard of Dallas, Lester Chollatt and Mrs. Hugo Miller and Monica of Burlington.

Mrs. T. J. McVey of Rosebud and Mrs. Albert Duggan of Terrell have been visiting their sister, Mrs. Fank Skala and Jerry.

Mr. and Mrs. Johnny Joe Hawk and Billy Joe and Jill of New Braunfels, and Mrs. T. W. Garrett and Paul Hawk of Bryan have been recent guests of Mrs. Joe Hawk and in the V. W. Hawk home.

Mr. and Mrs. Bob Mays of Temple visited with Mrs. J. A. Blanton on Saturday afternoon.

Mr. and Mrs. Lee Ray Chollatt celebrated their 16th wedding anniversary on Sunday Nov. 2 at their home at Ada. Attending from Clarkson were his parents, Mr. and Mrs. Arthur Chollatt and Lester.

Mary-Go-Round

Note: Mary-Go-Round is written by Mary Faulk Kooch, founder and owner of Green Acres in Austin, author of the Texas Cookbook and Cuisine of The Americas.)

By Mary Faulk Kooch
 We saw a great deal of the shooting birds after Christmas. It will be a very busy time over a quarter of the year. The hunting season opened at noon on September 1st for mourning doves, followed the White Wing Season a week later which brought on a general exodus toward the Rio Grande Valley and Mexico. Bird hunters, I'm told, find great sport in shooting the White Wing due to its bird's difficult flight pattern. There's quail and Pheasant hunting and my son-in-law, Mac, always manages a sandwich in a Goose Saffron down the coast.

Shooting birds is also a popular sport for the girls. Alice Reynolds, former Alice Kieberg, is one who particularly enjoys the White Wing shoots. Having grown up on the King Ranch in South Texas, she was probably shooting doves while other girls her age were playing dolls. Divine wild game dishes, for royal connoisseurs on all over the world, have long been featured at the King Ranch and Alice is quite an expert in the preparation of such dishes herself.

Alice told me that one of the most unforgettable dove-dishes she'd ever eaten was, not at the ranch, but one time when she and her husband, Dick, were hunting in Mexico. Their host, Senor Juanpe Diaz, who was also the Mayor of the small town near the ranch where they had been shooting, invited them to have lunch at his house. It was about one o'clock in the time they had gotten their bit of birds. They got into the car and started towards town, along a dusty, bumpy road, getting hungrier by the bump. It was quite a distance but at last they turned into the small town and up a narrow street where children and chickens scattered as the jeep approached.

Women with their bright shawls and friendly nods and the men and their hats and said, "Dios." Senor Diaz was a traditional adobe built around a courtyard. The door led into a room with an arched doorway into a patio. The fall air was cool, the sun was warm. Bright geraniums and geraniums bloomed on the patio and a brilliant pink agave covered the walls. Under a huge oak tree a big table was hanging over glowing candles, putting forth an aroma of delight. The Aztec Gods gave Alice the needed assurance of what was to come. Let us see the breasts of the White Wing," explained the Mayor.

FUTURE PLANS OUTLINED FOR A&M MOTHERS

The Milam County Texas A&M University Mothers Club met at the Texan Cafe Thursday evening, October 30, with Mrs. M. A. Byrne and Mrs. Henry Hill as hosts. Mrs. Bartow Jackson was a guest. Club president, Mrs. Ida Johns, conducted the meeting with a prayer. The Club discussed future plans and the president spoke of the club's buildings and improvements on the A&M campus. Mrs. Leo Fuchs was elected treasurer of Texas A&M Federation. During the social hour the hostesses served pie, hot tea and coffee. The next meeting will be in January at the home of Mrs. Mary Smith Sr.

WOMENS ROLE IN SCIENCE IS PROGRAM TOPIC

The Cameron History Club met at 7 p.m., October 21 in the home of Mrs. S. M. Harrell. Mrs. Leona Harrell presided and welcomed members and one guest, Miss Ethel Ginney. Mrs. John Howard presented the program, a discussion of Women's Science during the middle of the 19th century. She emphasized that in World War II 4,000,000 women were working in 20 categories and that in almost one-fourth of all women employed in broader fields endeavor. "Since then," Mrs. Howard said, "mechanization and automation have offered women a new time thus offering an opportunity for higher education study."

During the tea hour, Mrs. Harrell was assisted by Mrs. D. R. Harrell and Mrs. White in serving. Mad course to members and guests.

(I'd heard of Humming Bird tongues under glass but a huge pot of delectable breasts of doves really seemed to be the end!)

Alice said she could hardly wait to taste this heavenly concoction as Senora Diaz ladled it onto their pottery plates. La Senora had put tres corn, tiny young squash, tomatoes, beans, chili peppers of course, potatoes, all kinds of available vegetables and many undecipherable seasonings into the big kettle several hours earlier. When the vegetables were tender she dropped in the breasts of doves and they simmered slowly until the delicate meat practically fell off the fragile little bones. Senora Diaz also served hand-made tortillas, piping hot with lots of mantecilla (butter). It was all so superb!

The next time you with your 12 gauge shotgun tags your quota of quail, you might try your hand here's another winner. King at La Senora's potted doves, or Ranch Quail Supreme.
 10 quail, salt and pepper to taste, Flour for frying, 1 chopped onion, 1/2 cup chopped celery, 1 clove garlic, 1 green pepper cut in strips, Worcestershire sauce to taste, 1/2 cup water.

DKG BREAKFAST PROGRAM TOPIC: SENSE OF VALUE

Beta Nu Chapter of the Delta Kappa Gamma Society will hold its regular meeting, Saturday, November 8, at 8:30 a.m., at the Texas restaurant in Cameron for a breakfast.

Reports from the Research and Personal Growth and Services Committees will be heard. For the program, Mrs. Byron Stubbs of Rosebud will talk on the subject "Are Americans Losing Their Sense of Value?" and Mrs. Thagard Kirkpatrick of Reagan will discuss "American vs. European Values." Mrs. Trent Phillips of Lott will furnish the music for the occasion.

Mrs. H. D. Maxwell of Rockdale, president, will be in charge of the business session.

CAMERON PTA MEETS TONIGHT

Cameron PTA will meet tonight (Thursday) 7:30 at the Ben Milam Cafeteria. Program for the November meeting is on Linguistics, new approach to teaching English. Mrs. Patsy Edmonds, Junior High teacher, will be guest speaker. Mrs. Louis Elley, PTA president, said a baby sitter will be available for young children.

CARD OF THANKS

The family of John Tomasek wishes to express our sincere appreciation for all the acts of kindness and expressions of sympathy at the loss of our husband and father. We are grateful for the food, flowers and cards. We especially thank Austin State Hospital, our friends and neighbors, Rev. Frank A. Simcik and the staff of Green's Funeral Home.

Reprints Available Of Cross's Book On Central Texas

Belton (Sp) — All 133 pages of F. M. Cross's "Early Days in Central Texas" carry much information and items of interest to residents of Bell, Milam, Coryell, Lampasas, Hamilton, Comanche and Brown Counties. The book was published in 1910, and the Bell County Historical Society has made a limited number of reprints of the second edition available to the public.

The 1969 paperback reprint is a page by page reproduction of the second edition, with all of the misspelling, incorrect grammar, and some historical errors, which Cross admitted he might have made — he wrote from memory. "and 1846 is a long time from 1910," he wrote.

Cross landed with his father's family, the J. M. Cross family, in Cameron in 1846. In 1847, the family moved over to the Lampasas River in Bell County, and shortly thereafter, F. M. Cross "went west." He drove a freight wagon to supply the army posts in Coryell, Hamilton and Brown Counties.

The book is available to interested persons for \$3 per copy, through the Bell County Historical Survey Committee. Checks should be made payable to the Survey Committee, including 25 cents postage and handling, and mailed to Miss Vada Sutton, P. O. Box 702, Belton, Texas 76513.

LADIES SOCIETY PLANS MEETINGS

St. Monica Ladies met Tuesday and discussed plans for the district meeting to be held in Cameron Sunday, November 9. The diocesan president will be a guest at the meeting.

Mrs. Frank Hanel, president, also announced plans for the World Community Day services to be held at St. Monica Church at 2 p.m. Friday, Church Women United clothing drive and the St. Monica Parish clothing drive scheduled for Thanksgiving week.

Rogers Baptists Call New Music Director

Dwayne Wise of Baylor University has accepted a call from First Baptist Church of Rogers to be Director of Music and Youth. He will begin his regular work with the church November 9.

A native of Victoria, Wise attended high school and college there. At Victoria College he was lead tenor in the college choir and also vice president of the group. Wise served as music and youth director at Victoria's North Side Baptist Church.

Wise sings in the Baylor chapel choir. He has been youth and music director at the First Baptist Church of Mart. His wife Ruth is also from Victoria.

Sunday, November 9 will be "Harvest Day Offering" at the Rogers Baptist Church. All members are urged to attend the Sunday services.

Doors Of Yoe

By Jane Callaway

I'm thinking that this may be a bit short this week. A cold caught me last week and hasn't let go—I got behind in everything—even school news.

Another great victory for our team last Friday!! The win against the Caldwell Hornets was just a good example of OUR team. Be in Georgetown this Friday and boost your team—this is supposed to be a tough one and we need you!!

Jane Z., we are glad you are well and back in school.

The Band will soon be traveling to UIL Marching Contest. Let's all remember that we are the only ones that can win that FIRST. It's certainly not up to Mr. Carney, but to every individual band member. We can make up our minds to do exactly as we are instructed these next few weeks and work hard all the time—then, if we have done our best, that's all that matters. We can make the Yoe High Band something to be extra proud of!! (I believe that I hear a rumble from the English Department over that preposition hanging at the end of that sentence.)

Carolyn and Gina, what was that you all were up to on the but Saturday Night? Mildred, you and your OFF PERIOD!!

We have two new girls from Germany—Minnie and Charlotte Rosemond, and Roxanna Tindall is here from Libya. Welcome to Yoe High.

Rebecca, now why were you blowing in Gail's ear Saturday night? Cynthia's slumber party sounds like it was really something!!

The following is distributed by the Texas State Department of Health and came to me by way of a friend.

AUXILIARY PLAN UNIQUE ARTS CRAFTS SALE

An Alley Arts and Crafts Sale will add color and excitement to a little used pathway beside the Hefley Stedman building in Cameron. The sale, a St. Edward Hospital Auxiliary production will be from 10 a.m. to 5 p.m. Saturday, November 22.

Some paintings have already been contributed by local artists and auxiliary members are seeking donations of paintings, handicrafts such as quilts, candles, china, or other types of hand work.

Committee workers are planning a pseudo left bank French scene where artists work is sold along parrot streets. Display tables are planned for crafts and easels for paintings.

Anyone wishing to contribute work for the sale is asked to contact Mrs. Hiliard Thomas, Mrs. L. W. Stroup or Mrs. Robert Ellett. Proceeds from the Alley Arts Sale will be added to the St. Edward Hospital Development Fund.

Citizens National Announces Plans To Introduce BankAmericard

The Citizens National Bank of Cameron has announced plans for the December 1 introduction of BankAmericard, an all-purpose credit card plan.

Hilliard S. Thomas, bank president, said the move was based upon results of an extensive survey conducted in Milam County. The survey indicated that growth of the area warranted a full-scale credit card facility of national significance — one that could be utilized in nearly all categories of business and professional service.

Although the bank's credit card program will be independently operated, the card will be interchangeable throughout the nation, anywhere it is accepted. Because of the interchange agreement with other participating banks outside Cameron, BankAmericard will provide travel and entertainment advantages as well as local retail acceptance.

Originated in 1959 in California, there are more than 23,000,000 cardholders and about 50,000 merchant members in the nation.

BankAmericard is also good in 43 foreign countries, including Great Britain, Barclay Bank Ltd., which has 2,000 branches throughout England, recently became a licensee of the system. Similar interchanges have been announced recently in Canada, Japan and Mexico.

Thomas said, "BankAmericard," real beauty lies in the compatibility of services to individual cardholders and merchants alike, such as extended payment options to the customers, with immediate payment to merchants."

BankAmericard is the only major credit card which does not charge cardholders a fee to join and belong, he said.

Obituaries

Raleigh Storey

Raleigh Storey, 82, of Houston and formerly of Cameron, was killed in a car accident along with his son and daughter-in-law, Mr. and Mrs. W. W. (Happy) Storey late Saturday night near Houston.

Mr. Storey had lived in Houston for the past 14 years. He was preceded in death by his wife on October 9, 1969.

Funeral services for Mr. Storey were held at 11 a.m. Tuesday in the chapel of Green's Funeral Home, the Rev. J. E. Lafferty officiating. Burial was in Marlow Cemetery.

He is survived by a son, Raymond Storey of Houston; two daughters, Mrs. Gladys Holley and Mrs. Dorothy Hildebrandt, both of Houston; eight grandchildren and 13 great grandchildren.

Services for Mr. W. W. Storey were held Wednesday afternoon at his funeral home of Houston. Masonic graveside services were held at Roswood Cemetery, Houston. Two sons survive, Wilburn and Ronald, both of Webster; a daughter, Mrs. Charles Koehn of Cypress; and three grandchildren.

Services for Mrs. Storey were held in Cleveland.

Harold Wade

Harold Wade, 56, of Cameron died at 1:20 p.m. Monday. He was apparently stricken with a heart attack while at work at the P. J. Armstrong Used Car lot where he was a salesman.

Mr. Wade was born March 2, 1913 at Buckholts and was a veteran of World War II.

Funeral services will be held at 2 p.m. Thursday (today) in the Marek-Burns Funeral Home chapel, the Rev. Arthur Webb officiating. Burial will be in Oak Hill Cemetery.

He is survived by his wife, Mrs. Ottilie Mae Wade of Cameron; a stepdaughter, Mrs. Morine Klima of Ord, Neb.; two brothers, Dan Wade of Senoiole, Woodrow Wade of Winters; five half-brothers, C. D. Beale of Tucson, Ariz., Billie Beale and Howard Beale, both of Houston, J. W. Beale of Abilene and Leon Beale of Big Spring; four sisters, Mrs. Cecil Allen of Burnett, Mrs. Lyle Atkinson of Lansing, Mich., Mrs. Walter Juncak of Buckholts and Mrs. A. B. Harston of Cameron; a step-grandchild; and two stepgreat grandchildren.

Phillip Hubnik

Phillip Hubnik, 68, died at 3:15 a.m. Monday in a local hospital after a long illness.

Mr. Hubnik was born September 14, 1901, in Europe. He was a retired farmer and a member of the KJL Lodge of Marak.

Funeral services were held at 2 p.m. Tuesday in St. Monica's Catholic Church, the Rev. John Geiser and the Rev. E. Foltyn officiating. Burial was in St. Monica Cemetery.

Rosary was recited at 6:45 p.m. Monday in Marek-Burns Funeral Home.

He is survived by his wife, Mrs. Frances Hubnik of Cameron; his mother, Mrs. Rosalie Hubnik of Cameron; a son, Phillip Hubnik of Austin; five daughters, Mrs. Dorothy Vansa of Marak, Mrs. Emily Dohnalik of Temple, Mrs. Frances Henry of Austin, Mrs. Cecilia Marak of Cameron and Mrs. Pauline Pease of Austin; six brothers, Paul Hubnik and Charlie Hubnik, both of Odessa, Cyril Hubnik of Texarkana, Frank and John Hubnik, both of Cameron and August Hubnik of Marak; two sisters, Mrs. Celeste Mitcham and Mrs. Rudolph Tepera, both of Cameron; and 15 grandchildren.

Nephews were pallbearers.

BEAUTY COSTS UPPED

Beauty may be only skin deep but starting June 17 it's going to cost you more "skins" to be beautiful. At a recent meeting in the civic room at Kyle Hotel building in Temple, approximately 20 beauty salon owners from this area met with representatives from Armstrong & McCall Supply Houses to discuss the rising cost of beauty supplies.

It was pointed out to those attending that the biggest percentage of the operators hadn't had a price raise in five years and a major change was necessary to level out the prices charged in local beauty salons. Due to the rapid change in style trends, more operators have to attend beauty shows to learn new techniques to pass on to their customers.

It Was Voted Unanimously to Raise Prices on Shampoos and Sets in Cameron, Rogers and Buckholts

E. C. Warren

Ernest Cleo Warren, 79, of 401 N. Bowie St., Cameron, died early Friday afternoon in a local hospital after a long illness.

Mr. Warren was a farmer in Bell and Milam Counties for 50 years before he retired.

Funeral services were held at 2 p.m. Sunday at Cameron Gospel Tabernacle, the Rev. H. M. Bowley and the Rev. Alton Robbins officiating. Burial was in Little's Ever Cemetery.

Surviving are his wife, Mrs. Myrtle Mae Warren; four sons, L. T. Warren and Ernest C. Warren, both of Cameron; William Warren of Waco and Clifford Warren of Wichita Falls; four daughters, Mrs. Irene Patzke of Temple, Mrs. Eugene Drago of Temple, Mrs. Geraldine McFerrin and Mrs. Ernestine Conner, both of Corpus Christi; a brother, Wiley Warren of Mart; 31 grandchildren and 25 great grandchildren. A daughter, Mrs. Josie Elizabeth Orrick, died in 1961.

Pallbearers were grandsons, Bobby Conner, John Orrick, Arnold Warren, Enos Drago, Bennie Lee Hill and Ernest C. Warren Jr.

Ira Finch

Ira Finch, 61, of Minerva died Friday in a Cameron hospital after a short illness.

Mr. Finch was a bus driver for the Rockdale Independent School system.

Funeral services were held at 2:30 p.m. Sunday at Phillips and Luckey Funeral Home chapel, the Rev. Leon McCarra officiating. Burial was in the Minerva Cemetery.

Surviving are his wife, Mrs. Viola Finch; his mother, Mrs. Ervin Finch of Rockdale; a son, James Finch of Austin; a daughter, Mrs. Edith Atlin of Cameron; four brothers, Elbert Finch and Nelard Finch, both of Rockdale, Clayton Finch of Taylor and Charley Finch of Eddy; four sisters, Mrs. Ola Holder of League City, Mrs. Opal Matoska and Mrs. Alice Seay, both of Waco, and Mrs. Myrtle Kaatz of Taylor; and four grandchildren.

Miss Heath

Miss Iva Arl Heath, 45, died Saturday in an Arlington, Va., hospital from burns received in a fire in her apartment in Arlington. She formerly lived in Cameron.

Funeral services were held at 10 a.m. Wednesday in the chapel of Marek-Burns Funeral Home, the Rev. J. E. Lafferty officiating. Burial was in McAdams Cemetery at Bedias.

Surviving are her parents, Mr. and Mrs. W. A. Heath of Cameron; two brothers, Roy Heath of Waco and Joe Bill Heath of Pasadena; and a sister, Mrs. Callie Preiss of Houston.

Walter Horstmann

Walter Horstmann, 73, of Houston and formerly of Milam County, died Sunday in Houston.

Mr. Horstmann was born May 4, 1891 in Buckholts. He had lived in Houston the past 40 years and was a retired carpenter and pipe fitter. He was a veteran of World War I.

Graveside services were held at 10 a.m. Wednesday in Oak Hill Cemetery, the Rev. Donald Marquart officiating.

Surviving are a niece and several cousins.

Marek-Burns Funeral Home was in charge of local arrangements.

Farm Bureau Adopts Resolutions For November State Convention

- Ten resolutions from the Milam County Farm Bureau were adopted for forwarding to the annual Texas Farm Bureau convention to be held November 16-19 in San Antonio.
1. Oppose the proposed change in the election of President and Vice-President. We favor continuation of election by the board of directors.
 2. Oppose the compulsory branding of cattle. We feel this would be an undue expense and another loss of personal freedom.
 3. Propose that the State Highway Department restudy their placement of metal post reflectors along State and Farm to Market roads. These posts are often hazardous because they are too close to the center stripe to allow farm machinery to stay clear of traffic.
 4. Propose that a financial statement of Texas Farm Bureau be furnished to each county. The membership would then be better informed as to whether or not an increase in dues is needed.
 5. Propose a special license for stock trailers equipped with brakes, to allow a faster speed limit and greater registration weight without going to a commercial registration on both pick-up and trailer.
 6. Are opposed to daylight saving time. This works undue hardship on many people, especially school children who must meet school buses before daylight.
 7. Recommend a 20 percent cut in subsistence on labor and industry.
 8. Support the Farm Bureau Agricultural Adjustment Act of 1959.
 9. Urge the Texas Farm Bureau to permit the Texas agents to write life insurance without a membership. The present arrangement creates a considerable hardship and makes it very difficult to get special agents.
 10. Urge the membership dues increase not to exceed \$1.
- The top tune in 1939 was "Take Me Up in Your Airship, Willie."

Nutrition Affects Cattle Breeding

B. J. D. Moore
Eighty to 90 percent of cattle breeding problems are related to nutrition, according to Dr. John Beverly, cattle reproduction specialist at A&M. Five to 10 percent of the problems are related to disease.

According to U. D. Thompson, cattle nutritional specialist at A&M, vitamin A is required for normal development of bones, maintenance of tissues and cattle vision. Local veterinarians recently reported serious vitamin A deficiencies in Milam County farm feed lot cattle.

Vitamin A can be stored by cattle and this reserve used when needed. The time required for cattle to become vitamin A deficient varies with the age of the cattle. Young animals become affected in less time than older ones.

Vitamin A deficiency in bulls of breeding age results in decreased breeding efficiency. Spermatogenesis decreases in numbers and motility and there is a marked increase of abnormal forms. Such conditions have been pointed out by our local veterinarians in the bull fertility testing programs conducted by Dr. Tittsworth and the county agents in cooperation with local cattle producers.

Market Report—

There were 5.0 cattle and 315 hogs consigned to the Cameron livestock auction Thursday, according to auction barn officials. Prices paid were:

Dairy researchers report that under certain levels and qualities of calcium in drinking water, dairy cows will have "silent" heat periods and fail to breed.

Because of these conditions as well as others, stockmen should consult their veterinarian concerning reproduction cattle problems. Our county program building committee reports show an 85 percent calf crop in the county. A more realistic group of stockmen including auction barn reports show a 60 to 70 percent average calf crop for the county.

ECONOMICS

If only a 60 percent calf crop is weaned, then the cost of producing the calf is 12 cents greater than the market value. Calves weighing 450 pounds break even at an 80 percent calf crop, and 500 pound calves break even at approximately a 70 percent calf crop.

"Creep feed" calves or not to "creep feed" is a question frequently raised. Locally we have one successful producer who believes in creep feeding his calves. Whereas, another successful producer does not practice creep feeding his calves. Some say we should place more emphasis on an adequate forage and management program for the cow herd which would result in more milk and forage for the calves, to take the place of creep feeding.

Major considerations should be given by management to increase forage, improve grazing methods and overall, permit cattle to have access to more higher quality forage.

You Don't Say

If you are referring to occurring at the same time; having the same position and extent, etc.

COINCIDENT is correct for the above.

CONCURRENT means occurring together at the same time or place but also EXISTING IN CLOSE ASSOCIATION.

As: Some of today's mental illness is concurrent with the use of LSD.

Minimum Wage Law . . .

Ag Provisions Explained

COLLEGE STATION
The first Texas minimum wage law will go into effect the first of next February, according to James I. Mallett, Extension farm management specialist at Texas A&M University.

The new law will cover those employees not covered by the federal minimum wage law but does not supersede the federal statute. The agriculture section of the state law is designed to keep pace with

future federal wage standards with the provision that the state minimum wage will not be less than 20 cents below the federal minimum wage will not be less than 20 cents below the federal level.

At the 1970 federal level of \$1.30 per hour, the Texas minimum wage for certain farm workers will be \$1.10 per hour. Non-agricultural employees will receive \$1.25 per hour until Feb. 1, 1971. At that time,

Farmers Union Elects Officers, Adopts Resolutions At Convention

At the annual county convention held Nov. 1, in Cameron, Milam County Farmers Union members approved a slate of officers for the coming year and adopted the following resolutions for forwarding to the State Farmers Union convention to be held in Abilene, Dec. 4-6:

1. We support the efforts of Congressmen Poague and Purcell of Texas to make the 1965 Farm Act permanent, and to improve its income provisions. We especially endorse the Purcell Bill's proposal to raise the grain sorghum loan rate by 15 cents per cwt. and the price support payment by 17 cents per cwt.

2. We invite those individual members of the Farm Bureau who reject their leaders' efforts to kill our present farm programs to join Farmers Union in its fight to preserve these programs and make them better.

3. We favor passage of a National Agricultural Bargaining Act which would set up a method by which farm prices could be determined by collective bargaining between farmers and buyers of agriculture products. (Similar to the Mondale Bill).

4. We believe that Federal income tax laws that allow wealthy individuals and corporations to avoid income taxes by "tax loss farming" and other means should be changed so that everyone pays 100 percent of his fair share of taxes.

5. In the interest of preserving

our small city businesses, schools, banks and churches, as well as farmers, we believe large conglomerate corporations should be prohibited from farming in Texas.

6. We oppose the proposal to change the Post Office from a public service into a profit-oriented corporation, which would likely give rural patrons less service at higher cost.

7. We urge farmers who use 2-4-D to follow all safety precautions to prevent damage to neighboring crops.

8. We believe the legislature should allocate a portion of the city sales tax to county governments.

Re-elected for another term as president, Ervin Pelzel of Burlington will have serving with him Arthur Theis of Thorndale, first vice-president, Troy Mode of Rt. 4, Cameron, second vice-president, and Kenneth Willy of Cameron, sec-treasurer.

Members of the Board of Directors for the coming year will be: Mr. and Mrs. Kenneth Willy, Mr. and Mrs. Charles Hensley, Rt. 4, Cameron; Mr. and Mrs. George Dodd, Rt. 2, Rosebud; Mr. and Mrs. Willie Moraw, Rt. 2, Buckholts; Mr. and Mrs. Alfons Tomek, Rt. 2, Buckholts; Mrs. Paul Dillon, Cameron; Mr. and Mrs. Troy Mode, Rt. 4, Cameron; Mr. and Mrs. Arthur Theis Thorndale; Mr. and Mrs. John Jedlicka, Rt. 1, Cameron; and Mr. and Mrs. Edwin Ludecke, Rt. 1, Burlington.

The minimum wage will be increased to \$1.40 per hour.

Wage rates for piece work will become effective on Feb. 1 of 1971 and will be established by the end of 1970 by the Commissioner of Agriculture. The new law provides that the piece rate will be equivalent to the hourly minimum wage for workers of average ability and diligence in harvesting.

Mallett added that the piece rate workers will be covered by the hourly wage scale until the Commissioner of Agriculture establishes the regulations and procedures for administration of the piece rate work sometime next year. Piece rates will also apply to contract labor.

He pointed out that non-agricultural businesses, regardless of size, will be affected by this state law if they are not currently subject to the federal statute.

According to Mallett, the agriculture portion of the state law differs from the federal statute in three basic ways. First, the state law says that the new minimum wage will not apply to employers who did not use more than 300 man-days of labor during any calendar quarter of the preceding calendar year.

This figure of 300 man-days becomes significant when the second basic difference is considered. Under the federal law, a man-day is defined as a person working at least one hour a day. The state law says that a man-day is any day during which an employee performs agricultural labor for at least four hours for wages.

The third difference is the exemptions for persons working with livestock. Under the new law, employees working with dairy operations and production of livestock are exempt from the law. A notable exception, however, is that workers in feedlots are not exempt. The federal law exempts workers in range production of livestock where hours are hard to calculate.

The state law lists several exemptions that differ from the federal statute. Information on the state law can be obtained from the local county agent or from the Texas Department of Agriculture in Austin.

ACHIEVEMENT NIGHT

4-H'ers, adult leaders, parents, Milam County Extension agents and other friends of 4-H met in the Simon George Hall in Cameron on October 28. Achievement Night is held to honor 4-H'ers, adult leaders and others for their 4-H work during 1969.

Viola Lamere, girls vice-chairman of the Milam County 4-H Council, served as Mistress of Ceremonies.

Introduction of the guest speaker, Rep. Dan Kubiak, was made by Jane Helpert, president of the Burlington 4-H Club. Mr. Kubiak's speech dealt with the four E's of Life: Enthusiasm, Endurance, Effort and Ethics.

County Judge O. B. Harden presented medals to the following county award winners:

Senior Division - Bread, Jane Helpert; Clothing, Judy Helpert; Dairy, 1st Clyde Jistel, 2nd Carl Leon Wilson; Fire Prevention, Tommy Terrell; Foods & Nutrition, Paula Fleming; Home Economics, 1st Viola Lamere, 2nd Belinda Helpert; Home Improvement, Peggy Stephens; Home Management, Jessie Garza; Leadership, Melvin Hollas; Poultry, 1st Wayne Jistel, 2nd Johnny Winkler; Swine, 1st John Tomascik, 2nd Bill Vogelsang; Dress Revue, Kathy Garza.

Junior Division - Achievement, 1st Rosemary Ehler, 2nd Joseph Jistel, 3rd Deborah Stephens; Agriculture, 1st Ricky Richter, 2nd Joseph Garza; Beef, Leroy Stephens; Clothing, Sandra Cobb; Dairy Foods, Friscilla Lamere; Dog care & Training, 1st Laura Nell Crenan, 2nd Mary Crenan; Field Crops, Jim Crenan; Foods & Nutrition, Donna Jo Crenan; Home Management, Connie Cote; Poultry, 1st Daniel Richardson, 2nd Donald Fleming, 3rd Gary Hollas, 4th Daniel Gadison, 5th Gary

Gadison, 6th Gregory Leroy Wilson; Safety, Carolyn Helpert; Sheep, 1st Juliann McDaniel, 2nd Debra Fleming; Swine, 1st David Ehler, 2nd Andre Malone, 3rd James Lemons.

The CAA, with the help of individual sponsors, presented jackets to the four boys on the State Champion Judging team. The sponsors of these jackets were: Milam County Farm Bureau, Ideal Poultry Farm, Hornung Hatchery and Dana Kestenbaum. The four boys receiving this award were Wayne Jistel, Melvin Hollas, Julius Tepera, and Michael Darilek, all of the Countywide 4-H Club.

Honorary awards for 4-H support were announced by Peggy Stephens, chairman of the Milam County 4-H Council. The recipients of these awards were: Dan Kubiak, Dr. R. M. Tittsworth, Bobby Batte, and Dana Kestenbaum. The awards were presented by Mrs. Boyd Stephens, chairman of the Milam County Adult Leaders Association.

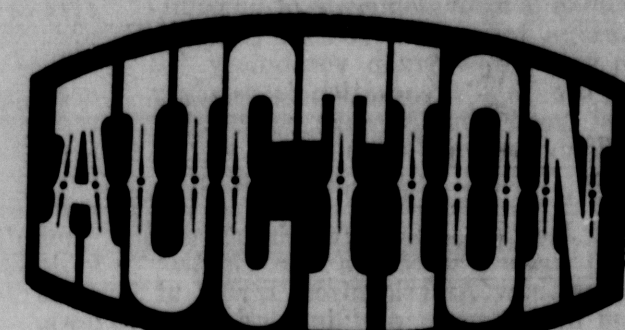

An award from the State 4-H office was presented to the Robert Orr family of Rockdale, for their help in the IFYP in Milam County in June 1969.

GOLD STAR, MR. & MRS. Gold Star awards are presented to the outstanding 4-H boy and girl each year by Cameron Chamber of Commerce. Wayne Jistel of the Countywide Club was named Gold Star Boy for 1969 and Joel Garza of Rockdale 4-H Club, Gold Star Girl. They received Gold Star pins, a book "I Dare You" from Rep. Kubiak and plaques from Ivey, chairman of the Chamber Agricultural Committee.

David Ehler and Virginia Janicek of St. Anthony 4-H Club won the Mr. and Mrs. 4-H Contest. Runners up were Sandra Cobb and Melvin Hollas of Countywide. County clubs raised \$654.20, of which half will go to Council and half go back into club treasures.

About 125 persons were present at Achievement Night.

English To Linguistics To Shaw'

Science is entering the English Language.

Well it might.

English is a conglomerate of uncounted foreign tongues, based on German, Latin and Anglo-Saxon vocabulary.

But the "hip" generation is rebelling against good English, like everything else. They use a few hundred words, such as "crazy, man, cool, fantastic, dig. . . ."

Their lack of concern for the some 350,000 basic words in the English language, now Americanized, comes at a time of influence of "linguistics."

"Linguistics", as explained in talk before the Cameron P-TA in a Herald story about Cameron P-TA program, is designed to "improve children's writing by teaching in a thorough and sequential way the main features of the writing system. . . ."

Fine. But let's hope modern kids can communicate beyond the youth examples of hips, beats, bopsters. We know they can, but this fad seems to grow

A popular cartoon series on television, "The Flintstones," has one cute gimmick in which Wilma, the housewife uses a Stone Age bird as her garbage disposal. The cartoonists did it for laughs but a Norman industry is serious about it.

Naturizer, Inc., is keeping 10 head of cattle on the fifth floor of their plant in Norman, feeding the animals processed garbage in edible form.

The goal is to produce a cheaper feed and help find a way of disposing of mountains of garbage. The cattle, who

People Like The Weekend Herald . . .

Response to the Weekend Herald is good.

Herald coverage of Friday night sports is popular, a schedule which will be kept on area sports in basketball and other weekend activities.

The first issue of a publication is always a test. And it is apparent the Weekend Herald passed the test.

Comments go something like: "I sure liked the Weekend Herald I received Monday morning. . . . I enjoyed my little Herald over the weekend. . . ."

"This is what Cameron needs for news and ad service, and I hope sup-

port will be as good as the start. . . .

These comments typify the response. It has been a pleasure to introduce a publication to this kind of response. We are prejudiced in our confidence that the Weekend Herald will serve the Milam area's growing news and ad needs for this beginning.

We thank loyal readers and advertisers of a few months or 110 years for this reception.

have piped-in music to keep their spirits up, seem to be thriving on a diet of half alfalfa, a bit of grain and a lot of refuse—including tree trimmings, meat fractions, plastics and paper.

The experiment is being run under careful, scientific conditions and may eventually be an answer to both the high price of cattle feed and the nagging job of ridding cities of refuse.

The cattle will be bred and their calves will also be part of the experiment.

Guidelines Set For News In Criminal Proceedings

By Vern Sanford

AUSTIN State Bar of Texas directors agreed on guidelines for release of news in criminal proceedings, as drawn by judges, lawyers and newsmen after a nine-month study. Texas Press Association, Texas Daily Newspaper Association, Texas Association of Broadcasters and the Bar sponsored the study.

News organizations will review the guidelines early next year. Highlights of the proposal include:

"The press has the right and the responsibility to report the truth. A free and responsible press enhances the administration of justice. Parties to litigation have the right to have their causes tried fairly by an impartial tribunal. No trial should be influenced by pressures from the press or from public clamor, and the Bar and the press share the responsibility to prevent the creation of such pressures. All members of the press should strive for objectivity, accuracy and fair play. The public has a right to be informed. The accused has a right to be judged in an atmosphere free from prejudice."

SMALL BUSINESS Texas Industrial Commission, whose main job is to try to attract new businesses into the state, may be branching into other areas.

Rep. David Finney of Fort Worth asked the TIC to set up a new division to help smaller industries with their development and managerial problem. Under the plan, TIC would work with local chambers of commerce and trade associations to assist businesses with difficulties—either by providing counseling services or by directing them to professional business counselors.

TIC has taken the proposal under consideration.

LEGISLATIVE COUNCIL Texas Legislative Council, which meets between sessions to study proposals to better organize state government, has agreed to make a series of studies including one on the "Cavness Plan" which raised so much controversy during the last session.

This plan, ruled unconstitutional by the attorney general, would allow the Legislature to tap some of the permanent school fund. It is estimated by the author that it would have cut the need for taxes by \$71 million if it had been approved.

Rep. Don Cavness of Austin, originator of the plan, tried to get a constitutional amendment through that would have legalized the process but was unsuccessful in the Senate. He asked for the study.

Other proposed studies that were adopted include: Study of assistance programs for the handicapped, safeguards for buildings where a large number of persons congregate, a study of the chain store tax, study of service for the deaf, the feasibility of giving schools three day weekends for holidays like the state has, and a study of effectively anticipating population changes on population bracket laws.

NEW VISTA PROBLEM Governor Smith has received a request from Cameron County commissioners to remove VISTA (Volunteers in Service to America) anti-poverty workers from their

area. New Regional Office of Economic Opportunity Director James W. Griffith offered sound reason for gubernatorial delay when he pledged personal efforts to resolve the dispute.

Griffith made an inspection tour of border poverty areas October 20-31 and promised to meet with VISTA representatives and commissioners in Brownsville.

Said Griffith: his bosses in Washington assured him OEO aims to cooperate with local officials, not fight them.

Said the commissioners: "In the event the problems which we are now confronted with are satisfactorily corrected at the regional level, we would then be most happy to reconsider our present position. . . ."

Cameron VISTA's allegedly took part in demonstrations against county officials.

GAS RATE HIKE PROPOSED Pioneer Natural Gas Company wants to raise domestic and commercial rates to at least 34 cents per 1,000 cubic feet, plus allowance for federal income tax surtax on deliveries.

Railroad Commission has rescheduled hearing from November 4 to November 24 on application. Increase would mean higher rates in 61 cities and towns including Big Spring, Lubbock, Midland, Odessa, Pampa and Plainview.

ATTORNEY GENERAL RULES New law effective January 1 will permit 16 year old boys and 14 year old girls to enter into common law marriages by filing an "intent to marry" form with county clerks, Atty. Gen. Crawford Martin has held.

However, Martin said, as waves of protest broke over the opinion, he is personally against the law and thinks provisions for common law marriages ought to be eliminated entirely.

COURTS SPEAK Will of a Midland woman who set up a trust for a home for aged white men is valid with the qualifying word "white" deleted, Supreme Court has agreed. Decision upheld lower courts which removed "white" from the will proviso.

Construction company is not liable for material defects that resulted in bricks falling from the walls of the new Tarrant County courts building, Supreme Court concluded, agreeing with Eastland Court of Civil Appeals.

OLD PHILOSOPHER

Dear editor:

I don't want to get involved in any Supreme Court controversy. In fact after eight years of Viet Nam I'm afraid "involved" is a word everybody is a little shy of, but according to all the newspapers I've been able to get hold of out here on this Johnson grass farm in the last few weeks there's a great controversy raging over the appointment of somebody to fill a vacancy on the high court.

I don't bother with personalities. I don't know the man the President has nominated, I don't even know any of the members already on the court or recently forced off, I've never been even before a traffic court, not to mention the Supreme Court, and my position is if they'll leave me alone I'll leave them alone and up to now I've held up my end of the bargain, whether they save or not, but what I started out to say is that I hope nobody nominates me to anything. The country is getting too enthusiastic about checking up on people.

I mean, say somebody is nominated to something and you turn all the newspaper and television reporters and columnists loose on him, not to mention the F.B.I., three or four dozen lawyers and 50 or 60 Congressmen and Senators, each one fine-tooth-combing everything in the man's past, and the question naturally arises: where's the man whose entire past can stand such a glare? How many can you name? Look around care-

fully.

I don't mean to say anybody nominated to a high post shouldn't be investigated thoroughly, he should, that's a risk of the game and a democracy should demand no less.

All I'm saying is that if anybody has in mind nominating me to anything, I'd like to say right now I decline. There are too many twists and turns in life for a man to have avoided taking a few wrong ones sometime or other, makes no difference how well he has his bearings now.

In politics, my theory is the less you investigate a man the more honest you'll find him to be. Yours faithfully,

Alcoa Engineer Will Move To Pittsburgh

James P. Hupy, mechanical engineer at Alcoa's Rockdale Works since 1965, will transfer to Pittsburgh's environmental engineering division December 1.

Hupy, a graduate of Galena Park High School in Houston and Texas A&M University, is a member of the Texas Society of Professional Engineers and St. Joseph's Catholic Church in Rockdale. He has also been active as assistant scout master of Troop 777, Boy Scouts of America.

The Hupys, who have three children, live at 506 San Jacinto Drive in Rockdale.

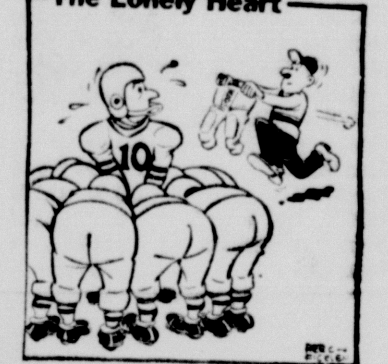

NEW PLANTS FROM OLD

Leggy and unattractive houseplants can become the source of new plants for the home and out-of-door plantings. Cuttings can easily be rooted during the winter season.

BEES UP SEED YIELDS

If honey bees have been used for the past two years in the Barstow area of Ward County to more than double per acre yields of alfalfa seed. The lack of insect pollinators in the area had caused seed yields to drop some 500 pounds per acre.

The Lonely Heart

how can Lone Star Gas help you get rid of wrinkles?

We know all wrinkles are not due to aging. Some are due to drying. And dryers.

Some dryers affect clothes the way sun affects skin. They not only dry out moisture. They bake in wrinkles. Even in permanent press.

But gas dryers are more sensitive to your family's clothing. And more sympathetic to your work load.

Most new gas dryers have a special cool-down cycle that turns off the heat before your clothes become overheated.

That means your clothes have fewer wrinkles. And you have less ironing.

You also have less expensive utility bills. Because gas dries for about a penny a load.

See your gas appliance dealer or Lone Star Gas Company. Find out how to take it a little easier. And avoid wrinkles.
